Indicative Site Layout and CGIs

Clanmil in the Community

We want our neighbourhoods to be places that people are proud to live and raise their families. To support this, each of our developments is managed by a dedicated area-based housing team.

How will the Homes be Allocated?

Homes will be allocated to those who need them most via the Housing Selection Scheme administered by the Northern Ireland Housing Executive. These properties will be made available to rent to everyone on the housing waiting list for your area.

Housing Need

We are currently facing a housing crisis with social housing waiting lists at c50,000 – the highest they have been in 10 years. In that context we are exploring the opportunity to deliver 47 new homes on the Antrim Road, Glengormley.
