

Customer Engagement Menu of Involvement

Choose how you'd like to be involved!

This is your opportunity to play a part in helping us improve and shape our services to you, now and into the future.

Lots of ways to be involved

We want as many of our customers as possible to be involved to make sure we are providing the right services to you. We want to make getting involved easy and flexible, so we created a Menu of Involvement which sets out the different options for you.

We know some people have more time available than others, so we have designed a range of options for everyone, whether that's through our more formal groups, online groups or in your neighbourhood.

Each option requires different levels of commitment and a different opportunity to influence the decisions we make to improve our service to you.

By getting involved in whatever option best suits your lifestyle, there is also a chance to learn more and develop new skills at the same time.

Our promise to you

- ✓ We will make being involved accessible and easy
- ✓ We will provide a range of ways to be involved
- ✓ We will involve customers in service areas that relate directly to you
- ✓ We will provide opportunities for you to hold us to account when it comes to our performance
- ✓ We will show the impact that your involvement has had on the design of our services to you

Ways to be involved where you live

There are a number of ways you can get involved, depending on what you're interested in and how much time you can spare.

To give you an idea of the time involved with each option, count the number of clocks.

1 clock: be involved when you want to be or take part in an activity once or twice a year.

2 clocks: regular meetings with regular involvement with Clanmil team.

3 clocks: Lead involvement. More time and commitment needed from you.

Extra ways to get involved

Customer Council

Customers are elected to this group from their Local Engagement Forum where they will represent their LEF. Clanmil In Bloom

This is our annual event that focuses on our green-fingered customers. We would love more of our customers to get involved in our annual gardening competition and awards day. Keep an eye out for the posters that go up in schemes each spring time and on our social media and website.

Customer Conference

Every two years we hold a Customer Conference. We would like to see more customers coming along to this event. This event is promoted at our schemes, on our social media and website.
